Work to begin on Colorado Highway 66 in Platteville

Sidewalk resurfacing and repairs will result in safer pedestrian use and accessibility improvements

WELD COUNTY – On August 6, The Colorado Department of Transportation will begin work at the intersection of Colorado Highway (CO) 66 and United States Highway (US) 85 Business (Main Street) in the town of Platteville to replace the sidewalk. Work will include asphalt patching and installation of concrete pipe.

Project work will occur at mile marker (MM) 51.24 and extends approximately 0.02 miles to MM 51.26. All work on the project will be completed by September 2018. Mountain Constructors of Platteville, CO will perform as the prime contractor on this \$230 thousand project.

TRAVEL IMPACTS: Travelers should expect various lane closures in all directions and possible traffic delays in the work zone. Typical construction work hours will run from 9:00 AM to 5:00 PM Monday through Friday. Weekend and night work will occur as needed and there will be a 10-foot width restriction in place during working hours.

STAY INFORMED: For project updates, please email CO66Platteville@gmail.com or call the project hotline at (970) 373-1584.

For information about other CDOT projects, the public may log on to CDOT'S traveler information web site at www.codot.gov, www.cotrip.org or call 511 from anywhere in the state. Thank you for going **Slow for the Cone Zone!**
