This permit is valid when signed by an authorized Town of Platteville, CO representative. When the Town of Platteville issues this permit, it does not assume any liability in regard to the condition of roads, capacity of culverts and bridges or utility facilities. It is the permittee's responsibility to make necessary inspections of the road, bridge and utilities before proceeding. In addition, Town of Platteville filed officials have authority to suspend this permit during emergency conditions.

Special Transport Permit Fees as Established by State Statute Section 8-3-40

Note: The Permit fees assessed by a local jurisdiction may not exceed the fees established in Sections 42-4-510(11)(a)(I) and (III), C.R.S. Certain vehicle types may be subject to more than one fee if the vehicle is overweight or oversized.

Vehicles exceeding 200,000 lbs	As determined by Town Engineer or Designee*

OVERSIZE / OVERWEIGHT VEHICLE LOAD PERMIT CONDITIONS

- A. Every special permit shall be carried in the vehicle, or combination of vehicles to which it refers, and shall be open to inspection by any police officer or authorized agent of any authority granting such permits, and no person shall violate any of the terms or conditions of such special permit.
- B. This permit, when issued, is valid only on those streets under the jurisdiction of the Town of Platteville. To operate on Streets or Highways under other jurisdictions (State Highways or Local Streets), it is necessary to obtain a separate permit from the authorities having jurisdiction thereover.
- C. This permit is not valid to operate the vehicle or vehicles on streets prohibited to all trucks; posted structures and streets, exceeding the specified weights, and through all posted underpasses or overhead structures exceeding the specified vertical clearance.
- D. If the requested permit is granted, the Permittee agrees:
 - 1. To take every precaution to protect the street and the traffic from damage or injury, using pilot cars or flagmen to warn the traveling public;
 - 2. To be financially responsible and to make prompt payment for any damage caused to the traffic, to traffic lights, overhead signs, wire, cables, and other installations, or to the streets or bridges by the transportation of load authorized by permit;
 - 3. That the operator of the vehicle or vehicles is duly licensed according to statute;
 - 4. That (s)he understands and accepts all provisions and requirements of this permit, including the provisions as provided in the Municipal Code of the Town of Platteville and the Colorado rules and regulations governing oversize/overweight vehicles or loads (latest edition).
 - 5. To indemnify and hold harmless the Town of Platteville, its officers and employees, its appointed and all elected officials, from all suits, actions, or claims of any character whatsoever brought because of any injuries or damage received by any person, persons, or property arising from the issuance or use of this permit.
